

ST PETER'S CARE

During these challenging days we at St Peter's want to play our part in serving our community. If you, or someone you know is in need, please don't hesitate to get in touch, we can help with emergency food and energy, shopping/prescriptions when isolating, befriending, signposting to appropriate services, etc. See the 'HELP' button or 'CARE' leaflet on our website for more details, including other local support initiatives (hard copies available on request).

One thing the current crisis is teaching us all is the priority of community. If you, or someone you know is isolated and in need of someone to listen, or simply to have the assurance of knowing there's someone on hand if needs be, we can help.

Wednesdays 7:45-9:15pm - via Zoom

Over seven weeks, we explore God's clear and uncompromising call to show his love, justice and mercy to a world in need. Join us as we discuss how our church can grow in grace and practically reflect the character of God to our community.

FACEBOOK

EXPLORING CHRISTIANITY

These troubling times have brought much anxiety. Where do we turn for assurance and hope as the ground of modern life is shaken? The Christian message is good news, in Jesus Christ we have a sure anchor and future hope. If you, or someone you know, would like to explore further in a pressure free environment, we can invite you to a course or organise something more informal, as suits you. Speak to Chris for information. A two-minute introduction is available here: <https://youtu.be/8lJa-PcEGE4>, for additional resources visit: www.christianityexplored.org
