

about St Peter's

St Peter's is a Church of England church that has been at the heart of Rock Ferry since 1844. Today, our aim is that St Peter's feels like a home from home, a church family where everyone is welcome. Our main meeting is at 10.30am (tea and toast from 10:00am), a gathering of all ages with something for everyone. We spend time all together before the children and young people go to their groups, enabling all ages to explore the bible in a fun, creative and safe environment. We have a Sunday dub for children aged 4-11 and Pathies for young people of 11-14. There is also a crèche for children aged 0-4 years.

At 4:30pm we have a weekly 'all age' service, designed to be child friendly with craft, activities and refreshments. Its very informal and lasts approximately one hour.

There's a lot going on through the week, for all ages, this card will provide further information, if you're interested in attending anything, feel free to call, visit our website, or just turn up!

Our life as a church is informed by three core values: firstly, a gospel commitment. We aim to be rooted and built up in our faith in Jesus. He is the most significant person that ever lived, his cross and resurrection the most important events in history. We want to understand who Jesus is, what he's done for us and what it means to follow Him. That's why we're committed to hearing from the bible, because we believe it is God's word to us about Jesus and His good design for life present and future.

Secondly we're committed to being a gospel community. We are uniquely united as followers of Jesus and we seek to live that out in shared lives, supporting and encouraging one another and serving our local community. Thirdly we're committed to our gospel commission, making Jesus known. If He really is the hope for our world, then we want others to hear about Him, so they can make up their minds from an informed position.

If you've any questions, please don't hesitate to get in touch.
